AAYUSH NAIR

UI/UX Designer | AI/AX Product Designer

Mumbai, India | +91 82787 76861 | aayushwf60@gmail.com | Portfolio: aayush99.framer.website

LinkedIn: linkedin.com/in/aayush-nair26 | Behance: behance.net/aayushnair01

PROFESSIONAL SUMMARY

UI/UX Designer and AI/AX (AI Experience) Product Designer with hands-on experience designing responsive websites, mobile applications, dashboards and CMS platforms. Skilled in user research, information architecture, wireframing, high-fidelity prototyping, design systems and motion design in Figma. Uses Claude, ChatGPT, Gemini, Perplexity and Figma Make to rapidly prototype and build websites. A background in technical support and database administration (MySQL, AWS S3) ensures feasible, secure designs and smooth developer handoffs.

ACADEMIC QUALIFICATIONS

Post Graduate in Cybersecurity Sep 2021 – Mar 2022

Massachusetts Institute of Technology, U.S.

Bachelor of Computer Applications (BCA) Aug 2018 – Aug 2021

Atharva Institute of Information Technology, Mumbai

Schooling: Bright Riders School, Abu Dhabi, UAE 2015 – 2016

Schooling: GEMS United Indian School, Abu Dhabi, UAE 2002 – 2015

CERTIFICATIONS

Adobe Photoshop CC – Essentials Training Course – Udemy Oct 2026

Motion Design with Figma: Animations, Motion Graphics, UX/UI – Udemy Mar 2025

UX Design & User Experience Design Course – Theory Only – Udemy Feb 2025

Complete Figma Megacourse: UI/UX Design Beginner to Expert – Udemy Oct 2024

WORK EXPERIENCE

UI/UX Developer & AI/AX Product Designer Apr 2025 – Present

Website Developers India – Mumbai, India

- Designed and structured complex digital interfaces, including responsive websites, mobile applications and dashboards, using bento grid layouts to establish clear visual hierarchy.
- Created websites and interactive prototypes using AI tools, including Figma Make, Claude, ChatGPT and Perplexity, accelerating concept-to-prototype time and enabling faster iteration with stakeholders.
- Developed dynamic UI components and interactive modules (e.g., “One Platform Multiple Solutions” and “Driving Security Excellence” feature cards) with advanced on-click interactions and custom vertical counting animations.
- Built cohesive design systems and streamlined developer handoff using AI-assisted tools, significantly reducing turnaround time while maintaining pixel-perfect fidelity.

UI/UX Intern & Database Administrator Jan 2024 – Nov 2024

Relphacare – Dubai, UAE

- Led the UI/UX design of a Content Management System (CMS), applying interaction design best practices and responsive scaling across devices.
- Researched, defined and mapped core data metrics to conceptualize an intuitive Human Resources (HR) dashboard, optimizing complex information architecture.
- Ensured technical viability of UI designs using database expertise (AWS S3, MySQL), aligned with UAE IA and ADHICS security frameworks.

Service Desk Support Engineer Sep 2021 – Sep 2023

Haztech – Goa, India

- Resolved complex technical issues across multiple support channels, minimizing user friction and downtime.
- Authored user-facing technical documentation, applying empathy and user-centered thinking.

TECHNICAL SKILLS

- **Design Expertise:** User Research, Wireframing, Interactive Prototyping, User Flows, Information Architecture, Responsive Design, Interaction & Visual Design, Mockups, Design Systems, Motion Design & Micro-interactions
- **AI & AX Design:** AI-Assisted Prototyping, Prompt Engineering, AI Experience (AX) Design, Generative AI Workflows; Claude, ChatGPT, Gemini, Perplexity, Figma Make
- **Design Tools:** Figma, Framer, Adobe Photoshop, Adobe Illustrator, Miro, Balsamiq, Whimsical, Notion
- **Technical:** HTML, CSS, Front-end/Back-end Architecture, Database Administration (MySQL, AWS S3), Cybersecurity

LANGUAGES

- **English:** Native / Bilingual
- **Hindi:** Advanced – read, write and understand
- **Malayalam:** Mother tongue – Elementary
- **Arabic:** Elementary
